- Bachelors of Science
Quantity Surveying

ASSOCIATIONS

- Fellow of the Royal Institution of Chartered Surveyors (FRICS)
- Fellow of the Chartered Institute of Loss Adjusters (FCILA)
- FUEDI European Loss Adjusting Expert (FUEDI-ELAE)

BIOGRAPHY

Russell spent four years working as a Quantity Surveyor in the construction industry in the UK before joining a large international loss adjusting firm. During a three year period adjusting claims in the UK, he was involved in large fire losses, bomb losses in London and Northern Ireland, subsidence claims, and construction works claims.

Russell moved to Asia in 1994 where he has successfully handled a wide range of losses, including large value Civils / Construction, Power, Energy and Property losses. He is experienced in Business Interruption and Delay in Start-Up claims and has handled / overseen claims throughout the Asia Pacific region, including Korea, China, Japan, Philippines, Singapore, Malaysia, Laos, Thailand, Nepal, Taiwan and New Zealand. Russell is also experienced in managing Catastrophe teams in Asia, Guam, and Caribbean.

Russell has lectured upon construction and engineering claims and authored two technical papers upon Delay in Start Up claims arising from construction and engineering projects that have been accepted into Munich Re's Technical Library.
