

## **MCLARENS WELCOMES INDEPENDENT ADJUSTMENT COMPANY**

**Atlanta, GA** - Global loss adjuster, McLarens, is pleased to announce that Independent Adjustment Company (IAC) joins McLarens on March 29, 2017. Joining IAC to McLarens is a strategic approach to expand adjusting capabilities in the Northeast region of the United States.

For more than two decades, the IAC team has built valuable relationships with clientele. IAC has an established reputation with particular expertise in property, casualty, inland marine, and catastrophe claims. They boast a talented roster of insurance professionals, which will make a positive impact in the Market by strengthening the potential and efficiency of McLarens' array of adjusting services.

**Mike Nardulli, President / Owner, IAC added:** "I have respected the integrity of the McLarens for many years and we are proud to join forces with one of the most recognized loss adjusting firms in the world."

**George Wasielke, EVP, Eastern U.S. & The Caribbean, McLarens commented:** "We're pleased to have IAC join our operation and believe the synergy between us will further enhance our quality claims service offerings."
